BRIDGE

Em 10meas

We got a problem
We're seeing the surfaces too often
Whether race or religion
It makes no difference
The blood paid penance
Forgiven the death sentence
No lines no more, no rich, no poor

No Jew, no Greek, no slave, no free
When I look at you and see someone just like me

C Asus
There might be There might be
C B B(hold)
There might be There might be
