VERSE 1

Db (Ab Bbm) (Gb Db/F) Ebm
Everybody each and all, we're going to die eventually

Ab Bbm Gb Ab
It's no more or less our fault than it is our destiny

Db (Ab Bbm) (Gb D/F) Ebm
So now, Lord, I come to You, asking only for Your grace

Ab Bbm
You know what I've put myself through,

Ebm Absus Ab
All those empty dreams I chased

CHORUS 1

Gb Db/F Gb Db/F
And when my body lies in the ruins of the lies that nearly ruined me
(Gb Ab) Bbm

Will You pick up the pieces that were pure and true
Ebm Ab

And breathe life into them and set them free
Gb Db/F

And when You start this world over again from scratch
Gb Bbm

Will You make me anew out of the stuff that lasts
Gb Db/F Ebm Ebm

Stuff that's purer than gold is and clearer than glass could ever be
(Gb Ab) Bbm

Everybody all and each, from the day that we are born

 We have to learn to walk beneath Those mercies by which we're

 We will move on although with scars

 O Lord, move in me

 And when my body lies in the ruins of the lies that nearly ruined me

 When You blast this cosmos to kingdom come

 When those jagged edged mountains we love are gone

 When the sky is crossed with the tears of a thousand falling
 suns

 As they crash into the sea
